Sir,

Plague - South Kanara District - Temporary staff - sanction of -

---

The important cattle fair and festival of Kulgunda and Subramania respectively of this District begin from the first week of November this year. These attract a large number of cattle dealers and pilgrims from Mysore State and Coorg. Owing to the prevalence of Plague in all the districts of Mysore Province bordering this district, the District Health Officer, South Kanara, apprehends that the infection might be imported into this District during those fairs and festivals if no special arrangements are made to prevent the spread of the disease. He, therefore, feels it necessary to open one plague observation depot at Kulgunda (for Bisly Ghaut) for a period of one month and six days from 25.10.1941 to 30.11.41. Bisly Ghaut provides the maximum traffic for these fairs and festivals. I agree with him and I feel that in the interest of the ~~supply~~ safety of the public of this district it would be ---- essential to open that depot. The other routes leading to Kulgunda and Subramania on which observation posts were sanctioned last year in G.O.No,Ms.5126 P.H., dated 31.10.1940 are

Sir,

Plague - South Kanara District - Observation depot at Charmady - Entertainment of additional menial staff- sanction sought.

This office Ref.B4-5912-41, dated 10.9.1941 and

(2) G.O.No.Ms.4105 P.H., dated 22.9.1941.

In the course of the inspection of the plague Observation depot at Charmady, sanctioned in the above G.O., the Assistant Director of Public Health and the District Health Officer, South Kanara have felt the need for a relay staff of one peon on Rs.12/- per month and 3 coolies on daily wages to carry on fumigation work at nights, when a number of goods lorries arrive at the depot from the infected areas in Mysore Province.

I have discussed the matter with the District Health Officer, South Kanara and I am of opinion that the amount of night traffic justifies the additional menial staff. I have therefore permitted him to entertain the additional staff in anticipation of sanction. I request that my action may be approved and an additional menial staff of one peon on Rs.12/- per mensem and three coolies on daily wages may be sanctioned from the date of entertainment till 31.10.1941 in the first instance, to work at the Observation depot at Charmady.

For Collector.

Copy to the District Health Officer, South Kanara. 31.X.41

R.No.37483-1 P.H.dated the 8th October '41.

To

The Secretary to the Government of Madras,
Education and Public Health Department,
Madras.

Forwarded and recommended.

The additional menial staff of one peon and 3 coolies required for the Charmady Observation depot may be sanctioned.
